Fair profile	The event is a separate platform presenting Asian products from the house and garden sector. The aim is to link product ranges from Asian growth markets with the growing demand in Europe and North America, all in a concentrated format in Cologne. This trade fair is scheduled to be held every two years, serving as a multi-lateral hub for the import and export business. Asia-Pacific Sourcing is the ordering and communication platform for products, innovations and trends for the house and garden segment.
Mailing of registration forms to exhibitors	From Mai 2010 (only in English). The order forms are then also available for download by internet at: <a href="http://www.asiapacificsourcing.com">www.asiapacificsourcing.com</a>
